Dated the 27th September 2011

To
Shri Rajeev Agrawal
Chief General Manager
BSNL AP Circle
Hyderabad

Subject: Utilisation of vacancies in Telecom Mechanic cadre for appointment
of qualified and trained RMs/Group D – reg

Sir,

A kind reference is invited to BSNL CO ND Letter no 250-8/2003-Pers III(Pt1), Dated 30.6.2008 circulated vide Staff Section letter no TA/STB/6-6/RIGs/02-06, Dated 4.7.2006 on the subject cited above. In the aforesaid letter it is very emphatically stated by the BSNL Corporate Office that the vacancies arising out of promotions, transfers, retirements etc in the cadre of Telecom Mechanic should be treated as clear vacancies and the same should be used for appointment of the qualified and trained officials waiting for their absorption as Telecom Mechanics.

This union has been taking up this issue for the past several years and yet the management has not honored the orders of the BSNL Corporate Office. The Group D and RMs who are all trained as Telecom Mechanics after having qualified in the TM examination are deprived of an opportunity to go into the higher cadre. Most of the officials have retired sans the promotion and some or on the verge of retirement. Most of the officials will not get much benefit monetarily also as they have all crossed the pay scale.

It is therefore requested to kindly bestow your personal attention to the issue and necessary instructions may kindly be issued to the concerned officers for promotion of the trained RMs/Group D officials to the cadre of Telecom Mechanics without any further delay.

Thanking you

Yours faithfully,

(Premnath)

Circle Secretary
